

Know your Rights: The best tool against the SB-4 Law

PROYECTO INMIGRANTE ICS, INC. OFFERS FREE CONSULTATIONS

Fort Worth, TX (June 2017). - Proyecto Inmigrante ICS, Inc. launches a new campaign to inform, educate, and serve the immigrant community, amid the implementation of the Texas SB-4 authorizing local police officers to question individuals regarding their immigration status.

Through the "Ventanilla Legal," the non-profit agency will offer free consultations for those immigrants whom may have an opportunity to legalize their status.

"The intention behind this new effort is for immigrant families to review any possibility under the law to change their immigration status before this devastating law goes into effect on September 1st," said Douglas Interiano, CEO and Founder of Proyecto Inmigrante.

The "Ventanilla Legal," will take place in conjunction with other community organizations. The next session will be held on:

Day: Wednesday, June 21st and 28th of 2017

Time: 6:00 p.m. to 9:00 p.m.

Place: Saint Matthew Catholic Church
2021 New York Ave, Arlington, TX 76010

The free consultation will be offered based on a first come first serve basis. The people interested in attending are asked to take all the documentation and information they have for a better analysis of their case.

Please feel free to share this information on your community calendars and/or your news outlets.
